

YOU ASKED FOR AN ENGRAVING SYSTEM THAT WAS EASY TO USE, VERSATILE AND ECONOMICAL.

*Pictured is our
M40 Model*

And we deliver with the new series of GravoTech M40 and M40G.

With features such as a 12" x 8" engraving area, super simple software, small machine footprint and excellent engraving quality, the GravoTech M40 and M40G give you what you need to run your retail business. And with the M40G, you can engrave not only precise personalization on glassware and high end-glass awards, but also hard to hold items such as jewelry boxes and odd-shaped awards.

Brand new from your Total Solutions Engraving Provider, discover what the M40 and M40G can do for you. Contact us today for our introductory offer.
